[TRANSPORTATION](#)

[Academy Bus Lines](#)

<http://academybuscharter.com/travel-policies/>

It is the policy of all Academy companies to comply with the Americans with Disabilities Act (ADA) and provide accessible service to all passengers and help make your trip as pleasant as possible.

Please advise Academy at the time of booking of any individuals with a disability that may require specific assistance. If for any reason notice is not provided, Academy will nevertheless make a reasonable effort to provide such service, and we will be glad to help.

[New Jersey Transit Access Link \(Paratransit\)](#)

#973-275-5555 TTY 800-772-2287

<http://njtransit.com/accessibility/access-link-ada-paratransit>

Access Link is a public transportation service established to comply with the paratransit regulations of the ADA. Access Link service is comparable to the NJ TRANSIT local fixed route bus and light rail systems. Access Link is for people with disabilities who are unable to use the local fixed route bus for some or all of their rides.

- **Hours**

Access Link service is comparable to the bus in that it is available during the same days and hours as the regularly scheduled local fixed route bus service, including weekends and holidays. If there is bus service available, Access Link service will be available. If there is no bus service, Access Link will not be available.

Shared Ride

By comparable to the local fixed route bus system we mean that Access Link service is a "shared-ride" system. Similar to the bus, other customers may be picked up and dropped off while transporting you to your final destination. This helps Access Link maximize the use of the vehicle fleet and provide as many rides as possible to as many customers as possible.

[NJ Transit Bus](#) <http://njtransit.com/bus-accessibility>

Bus Accessibility

- NJ TRANSIT's bus fleet is 100% accessible with bus lifts or ramps. All buses have state-of-the-art securement systems to secure customers' mobility devices. It's required that mobility devices be secured. The operator will assist you with the mobility device securements and the optional lap/shoulder belts as requested. If you need assistance, accommodation or reasonable modification with any of NJ TRANSIT's services, please see a NJ TRANSIT representative or simply [contact us](#).

[NJ Transit Train](#) <http://njtransit.com/accessibility/train-accessibility>

- **[NJ Transit ADA Services- #973-491-7385 8 :30 a.m.- 5 p.m. Monday-Friday](#)**
- **[Senior Citizen and Disabled Person Reduced Fare #973-491-7112](#)**
<http://njtransit.com/schedules-and-fares/reduced-fare-program>

Train Accessibility

Many of NJ TRANSIT's rail stations are accessible by elevator, ramp, mini high-level platform or portable lift. All accessible stations are shown on the [system map](#) with the international symbol of accessibility. If you need assistance, accommodation or reasonable modification with any of NJ TRANSIT's services, please see a NJ TRANSIT representative or simply [contact us](#).

NOTE: The Manasquan NJ Transit rail station is **not accessible**. The nearest accessible train station is Point Pleasant. Asbury Park rail station is also accessible.

Paying Your Fare

When purchasing your tickets for our rail system customers with disabilities have a few options. If available, you may purchase a ticket from the Ticket Agent or the Ticket Vending Machine (TVM). However, you may purchase your ticket on board with proper ID (see section on Reduced Fare) without incurring a surcharge.

Boarding the Train

Bridge plates are available at all high and mini high-level platforms. These plates bridge the gap between the platform and the train for safer and easier boarding and disembarking. Upon request, a member of the crew will assist with a bridge plate.

Before a customer using a mobility device boards the train, you should inform the train crew of your destination.

Priority Seating

Seating located nearest to the train car entrance is designed and designated to provide easy access for people with disabilities, including those using mobility devices. You may also ride in the center vestibule of the train car. Signs are posted in these areas alerting all customers of this priority.
