

Pickleball Through Manasquan Recreation

Manasquan Recreation offers both outdoor and indoor pickleball play. Nets and balls are provided.

Outdoor play is loosely organized at Stockton Beach Park, which is located at the north end of 2nd Ave in Manasquan. Pickleball is given preference all mornings except Saturdays. Download the Team Reach app and use the code Manasquan for daily updates on play, which takes place most mornings. Anyone can use the Team Reach app to set-up play with as little as one net. If you need the code to the lock on the shed adjacent to the rink where the equipment is stored, reach out to our pickleball coordinator, contact info provided below. Park at the north end of the parking lot. There is no charge for outdoor play nor are reservations required.

Organized indoor play takes place at both St Denis and the Manasquan Elementary School (MES). The schedule is shown below, beginning early January. Note we have three levels of play – advanced, recreational, and “super seniors”. Also note that Saturday morning play shifts to MES beginning January 7th with one exception when there is a conflict.

Unfortunately, we are no longer accepting new, non-resident players for indoor play during daytime hours as we are simply too crowded. Non-residents are welcome for evening play at MES, at least for now.
