

Pickleball Through Manasquan Recreation

Manasquan Recreation offers both outdoor and indoor pickleball play. Nets and balls are provided.

Outdoor play is loosely organized at Stockton Beach Park, which is located at the north end of 2nd Ave in Manasquan. Pickleball is given preference all mornings except Saturdays. Download the Team Reach app and use the code Manasquan for daily updates on play, which takes place most mornings. Anyone can use the Team Reach app to set-up play with as little as one net. If you need the code to the lock on the shed adjacent to the rink where the equipment is stored, reach out to our pickleball coordinator, contact info provided below. Park at the north end of the parking lot. There is no charge for outdoor play nor are reservations required.

Organized indoor play takes place at St Denis. Note we have three levels of play – advanced, recreational, and “Super Seniors”. There is no charge for Super Seniors play. For crowd control purposes, morning slots, Monday-Friday are still restricted to legacy members (those who joined before the fall of 2022) and Manasquan residents. We are accepting all players for weekends and evening play, at least for now. Non-members pay a \$10 walk-on fee. Registration for non-residents for 2024 is closed. Residents may still register via Community Pass.
