

Manasquan Beach Badge/Recreation Registration

Community Pass

As of May, the Manasquan Beach and Recreation department will be transitioning from the Viply application to an online portal for seasonal beach badge purchases and recreation program registration.

Community Pass is a cloud-based registration and payment software that enables streamlined administration and a convenient, secure experience to customers. All information is secure and is saved from year to year, so you only need to fill out your individual information one time.

We will start utilizing Community Pass with beach badge sales on May 11, 2019 and Summer Recreation program registration on May 15, 2019. We will continue to roll out additional recreation program registrations throughout the remainder of the year and into 2020.

HOW TO SET UP AN ACCOUNT ON COMMUNITY PASS

NOTE: If you already have a Community Pass account from another organization or community, please use your existing username and password to log in and register for programs offered through the Borough of Manasquan at <https://register.communitypass.net/ManasquanBorough>. You do not need to create a new account.

Go to <https://www.manasquan-nj.gov>

- Click on Beach/Rec/Comm. Pass
- Click on Community Pass
- Click on Create an Account
- To Create an account:
 - Fill in all fields. Fields marked with an * are mandatory
 - Click on create
 - Agree to privacy policy by clicking on accept and then finish
- Once you are logged in you may add additional family members to your account
