## OFFICE OF THE MAYOR

Michael W. Mangan

*Spring 2024*

Dear Residents,

It has been an honor to serve as your Mayor since January, and I have been busy working with the Council on your behalf. We have some exciting plans for the year that I would like to share with you.

The first major area of focus is on increasing communication from the borough and developing ways to involve more people in the process and decisions that are made in town. We will be reinstating the quarterly borough newsletter, both in electronic form and printed and mailed to each home. We have been and will continue to revamp the borough website to make it more user friendly. We are developing a Manasquan APP, for residents and visitors to centralize and simplify information and to allow a greater back and forth between Borough Hall and the residents. We will also be revamping the meeting broadcast system for both Borough Council and Planning Board to ensure maximum transparency and citizen involvement.

We have also expanded citizen roles in volunteer groups throughout the Borough. I am proud to see the creation of the new Mayor's Charity Ball Committee, the expansion of the Recreation Committee, the reorganization of the Open Space Committee, the continued success of the Shade Tree, Environmental and Tourism Commissions, as well as the expanded Citizen's Advisory Committee including Beautification SubGroup and the Holiday Decorating SubGroup. These dedicated volunteers are the backbone of our community – they serve quietly and strongly to make sure that Manasquan stays the great small town we all love.

The second major area of focus is on stopping overdevelopment and limiting density. To that end, I have created the Mayors Commission on Zoning, which is made up of members of the Borough Council, Planning Board, and the public. This Commission has already begun its work by starting the process of collecting and sorting the data needed for a proper zoning review. This will be a public process – and a slow one – by design to ensure maximum citizen input before any changes are made. Stay tuned for updates in the coming months.

As other issues arise, I am confident that, working with the Borough Council, Manasquan's town government will continue to be open and accessible, now more than ever. Please do not hesitate to reach out to myself or any member of the Borough Council at any time with any questions, comments or concerns. More exciting things coming soon!

Sincerely,

Mayor

Inspections are done Monday through Thursday between 9am and 12pm. Code Enforcement will be out every weekend beginning Memorial Day. Some things to keep in mind:

- No parking outside driveway areas, on lawn or blocking an emergency exit or access route.

NO U TURNS ON  
MAIN STREET**

### *April*

**Operation Take Back** - The Manasquan Police Department will be participating in Operation Take Back. This program assists the public in discarding any unused/expired prescription or over the counter drugs. These items are then properly disposed of.

Dogs are no longer allowed on the Manasquan Beach after April 15th and are never allowed on the Beachwalk.

### *May*

May 4th PBA Food Truck Festival at Mallard Park 1pm-7pm \*Rain Date 5/5

### *June*

The Manasquan Police Department is aware of recent increased car theft activity in the area. Residents are advised to keep their vehicles locked at all times, and to remove and store their keyless fobs in their homes. Car thieves are using illegal technology which allows them to drive by a vehicle and determine if a key fob is located within the vehicle. This makes stealing the car as easy as approaching the vehicle, starting it, and driving away. The Police Department is asking that all residents to remain alert, and immediately contact Manasquan PD at 732-223-1000 (or Dial 9-1-1) if you observe suspicious activity.

## RECREATION

Registration for Summer Recreation Camp and Manasquan Junior Guard will open on Community Pass on March 1st.
