

Be FloodSmart

Flooding

is the nation's # 1 natural disaster, and it can happen anytime... anywhere. Floods occur in all 50 states and you can be a victim of flooding, even if you do not live near the water. Learn how to protect yourself, your family and your home!

What causes flooding?

In just a few hours, hurricanes and summer thunderstorms can bring heavy rain, which can lead to severe flooding.

How do you protect your home?

1 Determine your flood risk

Whether you live in a flood zone or not, everyone is at risk for flooding.

Manasquan's flood zones are available online at:
www.manasquan-nj.gov/FLOOD

3 Make a flood plan

Know evacuation routes and keep important papers in a safe, waterproof place.

4

Emergency Alerts

Manasquan offers a notification service that alerts you in the event of a major flood.

Register at: www.manasquan-nj.gov/OEM

2

Purchase flood insurance

Remember, most homeowners insurance does not cover floods. Flood insurance can be purchased through the National Flood Insurance Program, which currently offers Manasquan's residents up to a **25% discount**.

Floods caused more than **\$25 billion** in losses over the last ten years. *

Buy insurance before the water starts to rise!
It takes 30 days after purchasing flood insurance for the policy to go into effect. *

5

Protect your Property & Build Responsibly

Manasquan Code Dept offers free technical services which include map interpretations, property protection, financial advice, building responsibly in the floodplain, as well as site visits. Call 732) 223-0544 ext. 307 or visit www.manasquan-nj.gov/flood for more info.

6

Protect Natural Floodplain Functions

Do not dump or discard waste into Storm Drains... it is **ILLEGAL!** Protect sensitive areas & keep storm drains clear of debris!
